## Tailor made financial services for expats

ABOUT US

### Welcome to Independent Expat Finance!

We advise exclusively and impartially the international community in The Netherlands. Independent Expat Finance is not linked to any particular financial product or services. This is important, because it enables us to review the full range of financial options in the market. Therefore we are able to give you the best advice and service tailored just for you. Independent Expat Finance will guide you throughout the entire process.

OUR SERVICES

# The next generation condensing boilers

DB /

## Industrial Boiler

"The most reliable heating system" / "When big isn't big enough!"

The range is the ultimate floor standing industrial boiler. High output on a small surface with an industrial design is what characterizes the IB range. This boiler can heat solitary and together with other units. Thanks to the cascade manager, which is a standard feature in this boiler, all boilers can be connected as one. High end stainless steel heat exchanger and Low NOx burner technology makes this boiler applicable for commercial, residential and industrial application. Full connectivity (Internet/Wifi/Modbus/Bacnet) available.

### Features

- ✓ Stainless steel heat exchanger
- ✓ Unique capacitors on a small surface
- ✓ High efficiency
- ✓ Robust, reliable and durable
- ✓ Clear display with touch screen
- ✓ Full connectivity available
- ✓ Extreme low NOx output
- ✓ Modulation of 1:1
- ✓ Cascade up to 16 boilers
- ✓ Natural or LP gas
- ✓ Quick and easy installation
- ✓ Easy maintenance

## DB - Domestic Boiler

Industrial quality available for residential buildings

The DB range high efficiency wall hung gas domestic boilers are powerful and versatile. Great combination of industrial design and quality is now also available for residential buildings. This hot water and central heating boiler will fit in any private house or small commercial building. Long life span with 10 years warranty on the stainless steel heat exchanger as a standard. Full connectivity (Internet/Wifi/Modbus/Bacnet) available. The complete range can be supplied as combi or heating only boiler.

**Very high efficiency!**

**Easy Wifi control**

### Available in four different models:

25 kW / 35 kW / 45 kW / 55 kW

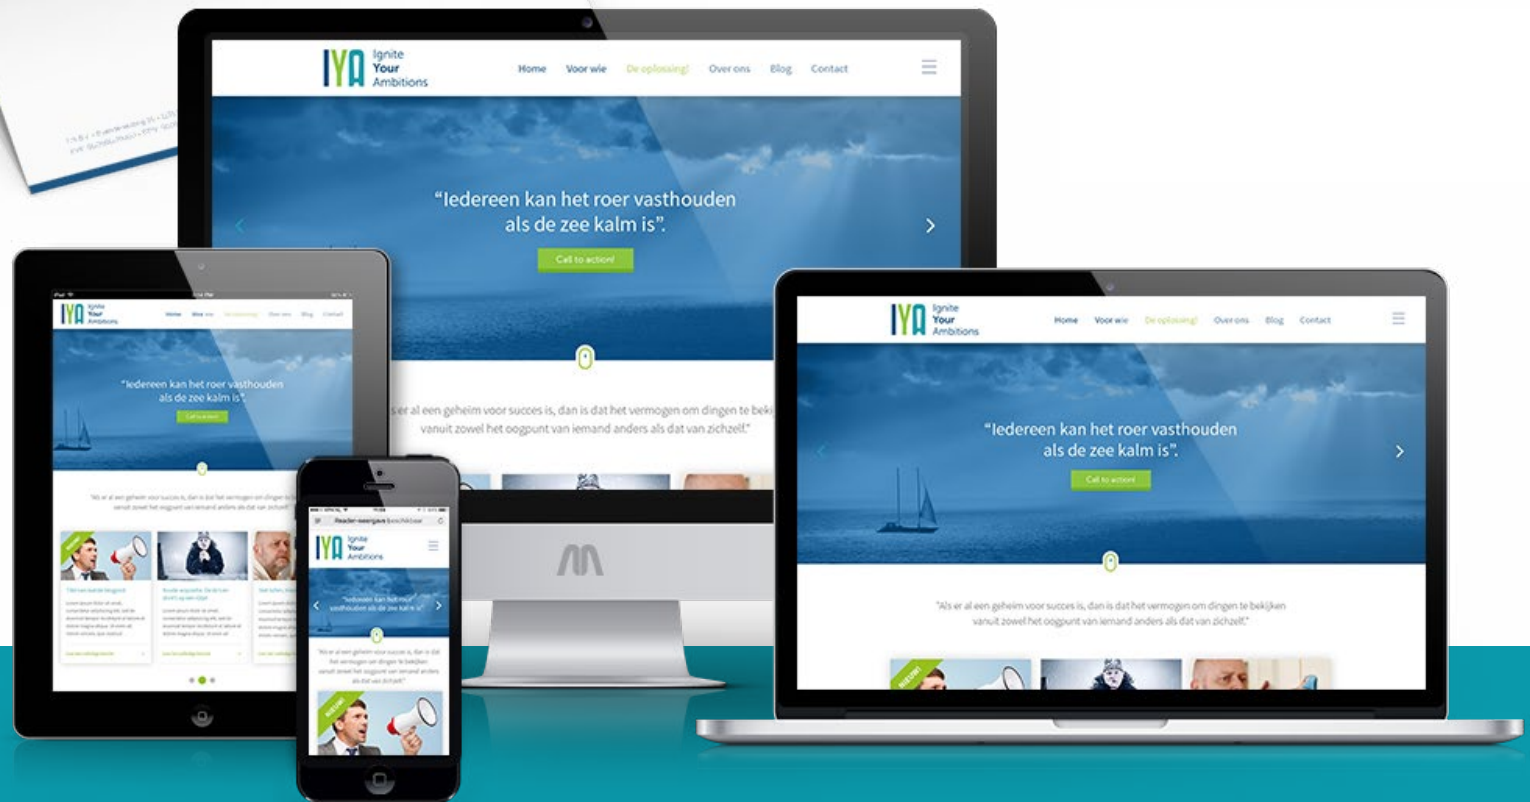

All available as combi or heating only.

### Features

- ✓ Compact and lightweight design
- ✓ Stainless steel heat exchanger with a 10-year warranty
- ✓ Built-in energy-efficient pump (A label)
- ✓ Wide modulation range
- ✓ Easy to use fully back-lit LCD display
- ✓ Easy maintenance
- ✓ Internet and wifi connection possible
- ✓ LPG conversion available
